IN JULY 1995,

the Bosnian Serb army staged a brutal takeover of Srebrenica and its surrounding area, where they proceeded to perpetrate genocide. Over a period of several days the Bosnian Serb soldiers separated Bosniak families, forcibly expelled 25,000-30,000 people in a massive campaign of ethnic cleansing and systematically murdered at least 8,372 boys, men, and elderly in fields, schools, and warehouses throughout the local area.

On this 15th anniversary we invite you to join us to commemorate the Souls of Srebrenica, to remember the victims and express our compassion to their families and families of victims of genocide worldwide.
